

Joseph Smith's Marriage/Sealing Dates

I compiled a list of dates from Brian and Laura Hales (LDS apologists) Joseph Smith's Polygamy [Biographies of Joseph's Plural Wives](#) page and extracted sealing or marriage dates from each biography (extraction performed February 23, 2017).

Notes:

- Emma Hale was not listed in the Hales' list, so that information is from elsewhere. I included the commonly accepted marriage and sealing dates for Emma.
- For spring I have substituted the month of July and summer the month of October.
- Where there was any question about the date, the date errs as *late* as is conceivably possible. Where two equally likely dates are available, the first was chosen.
